

**MAY / JUNE  
COVID – 19 UPDATE**

## **Clubhouse**

**The clubhouse is currently open regular business hours Monday–Friday from 8:30am to 5:00pm**  
The clubhouse is open FOR BUSINESS only, or for walk-ins for residents to conduct Association business with the office staff. The front door will be open. MASKS ARE REQUIRED IN THE CLUBHOUSE. Realtor walk-throughs/showings are discouraged at this time. Currently the clubhouse is not open for any social activities, gaming, meetings, gatherings etc. If necessary, residents may access the computer room/business center but only during regular clubhouse hours and on a 15 minute per person basis. Occupants must disinfect the computer equipment before and after each use. The clubhouse will remain closed on weekends, including the business center at least until further notice from the Governor’s office regarding the current State of Emergency order that is in place.

## **Pool**

**The pool will observe regular hours – 8am to Dusk**

**The pool is currently open to POSITANO RESIDENTS ONLY. No guests at this time.** Social distancing is required. Masks are optional. Chaise lounges will be spaced in groups of two, six feet apart. Residents are discouraged from pulling a large number of chaise lounges together to form a “social group” that would exceed CDC guidelines. Residents must conduct themselves in a responsible and professional manner with these guidelines. Residents must disinfect chaise lounges following each use by using their own disinfectant wipes. The association cannot properly store disinfectant wipes in the pool area for this purpose. All state-mandated pool rules are in effect as usual.

## **Gym**

**The gym is NOW open Monday – Friday from 5am to 10pm, 7 DAYS A WEEK with the following restrictions:**

- The maximum number of people allowed in the gym at one time is six (6).
- **EVERYONE IN THE GYM MUST WEAR MASKS. EVEN IF YOU ARE THE ONLY ONE IN THE GYM.**
- **Positano staff will disinfect equipment prior to 8am.**
- **Anyone using a machine must sanitize the machine prior to AND following using any machine. Sanitary wipes are provided for this purpose. While we are observing CDC recommendations to limit the exposure of the virus, residents entering the gym do so at their own risk.**
- **Gym occupants must be Positano residents. No guests.**

It is imperative that these temporary rules be followed by everyone. While the Association and staff are taking precautionary measures and following CDC guidelines to minimize the risk of spreading the virus, residents must understand that they use all common areas at their own risk. We appreciate everyone’s cooperation during this transition to fully reopen. **If the association is confronted with numerous non-compliance issues, the board of directors will need to discuss other options including closing down areas where compliance issues are apparent or problematic.**

***As always.....continue practicing social distancing and stay safe !!***

***Thank you !***
